**Subject:** PLN022-17 Request to be a delegation

Hi Dawn: Thanks for the conversation this morning. This is my formal request to be a delegation next Monday at the City Council meeting where report PLN022-17 related to an application for a Zoning Amendment at 101 Kozlov Street will be discussed.

At this point, I expect to be speaking against the modified resolution that came out of General Committee last Monday and in support of the staff recommendation. As I mentioned I have not had a chance to speak to my client about the modified resolution and I currently have my team examining the implications of the resolution on the project.

If our position changes between now and Monday, I will provide you with an updated e-mail which may include a withdrawal of the request to be delegation.

Please acknowledge receipt of this request.

Cheers.

Scott
