RE: Lifeguards at Waterfront Beaches

DATE: August 11, 2016

As the summer starts to wind down our lifeguarding services will also end for the season. Please note that as of **Monday, August 22<sup>nd</sup>**, there will no longer be lifeguards on duty at **Centennial Beach** and **Johnson's Beach**. In addition the following facilities will remain unsupervised –

1. Minet's Point Park
2. Tyndale Park Beach
3. Heritage Park Splash Pad
4. Wilkin's Beach

It is important that we communicate the importance of water safety to all residents to ensure everyone continues to enjoy the City of Barrie's excellent beaches and pools.

Be Water Smart "Stay Within Arm's Reach" There is no substitute for parental supervision!
