
FOR IMMEDIATE RELEASE

Mapleview Drive East closure from Huronia to County Lane starts Dec. 5

(Barrie, ON) – Mapleview Drive East will be closed from Huronia Road to Country Lane starting Monday, Dec. 5 for two weeks. The full closure is required for construction of a deep sanitary sewer and watermain. The full closure, as opposed to a lane reduction, allows the City to finish the work quicker and save money. The detour route will be along Yonge Street, Big Bay Point Road and Huronia Road. The contractor will work 24 hours per day until the work is finished.

Barrie Transit Detour:

- Route 8 will not service Mapleview Drive East between Yonge Street and Huronia Road, and will detour onto Lockhart Road then back on route.
- There will be a shuttle service route that will continue to provide transit services to the missed stops along Mapleview Drive East between Yonge Street and Huronia Road during peak service periods Monday to Saturday. This shuttle service will provide direct transit service connections to all GO train departures and arrivals.

For more information, including the schedule for the shuttle service route, visit barrie.ca/TransitNotices.

For more information about the project, visit the Mapleview Drive East Improvements page via barrie.ca/RoadAhead.
