Area of Focus/Action/Task	Comments/ Purpose / Rationale	Resource	Timeline
Knowing:			
1. Undertake a thematic history of the City of Barrie. For example, the Parks Canada Thematic Framework may be used: <ul style="list-style-type: none"> • Peopling the Land • Developing Economies • Building Social and Community Life • Governing • Expressing Intellectual and Cultural Life 	This will provide a framework for determining value and assist in identifying, contextualizing, and interpreting heritage resources within the City	Co-ordinated by heritage/historical expert(s) Cost: To be determined Input from: <ul style="list-style-type: none"> • Georgian College • Barrie Historical Archive • Barrie Historical Association • First Nations and Métis sources 	Within next two years 2017-2018
2. Consolidate all reports, background research, and inventories done to date by previous heritage committees, staff and consultants to create an informational database.	This will provide a comprehensive database of research and identify where additional heritage resources are needed. This will increase understanding and knowledge of heritage information available.	In-house Planning and Building Services and Records Management staff. Possible summer student project. Community Partners.	Within next three years 2017-2019
3. Consider adding the following properties to the municipal heritage area: <ol style="list-style-type: none"> a. Three properties in the Secondary Plans previously listed on the Innisfil Heritage Register b. Places of worship c. Prioritizing historic neighbourhoods in the urban growth centre d. Properties included on the Heritage Walking tours e. Other properties identified by Heritage Barrie f. Individual owner requests g. Other properties and ECR for the Secondary Plan 	This will increase the number of listed buildings on the municipal heritage list; with a focus on properties that may be vulnerable to market forces and key development areas	Heritage Barrie	Within next two years 2017-2018

ACTION ITEMS MATRIX

areas that may merit listing			
4.	Identify additional potential Heritage Resources to add to the Municipal Heritage Register after the compilation of existing research is completed	Identification and understanding of potential heritage resources	Heritage Barrie Ongoing after information is compiled Estimate start in 2018
5.	Maintain a database of archaeological reports submitted with secondary plans and development applications	Greater understanding of invisible heritage and can provide background for future planning decision making	In house data - Planning and Building Services Department and GIS Within next three to five years 2017-2022
6.	Retain an in-house Heritage Planner	The need for heritage planning advice and expertise will become increasingly important as the City grows and intensifies	Municipal Staffing and Budgetary Decision Within the next three to ten years 2019-2029

Area of Focus/Action/Task		Comments/ Purpose / Rationale	Resource	Timeline
Protecting : Heritage Act Tools				
1.	Update designation by-laws for 16 properties to reflect the current prescribed format	This will enhance protection by clarifying the protected features and attributes	Heritage Barrie, with review by a Heritage Professional Target four per year Prioritize City owned properties	Within next four years Target four per year 2017-2021
2.	Pass procedural bylaws that will allow notices of designation or other decisions regarding protected properties to be advertised on the City's website rather than notification in locally circulated newspapers	This will reduce costs and expedite the process as publication timelines will not have to be taken into account	Planning and Building Services Staff with City Clerk's office Subject to other priorities in Planning and Building Services Department Work Plan	Within next two years year 2017-2018
3.	Develop a heritage permit application form and process for applications to alter designated building: <ul style="list-style-type: none"> • Include information needed for a complete application • Map the process; including a pre-consultation process with a Heritage Planner, if the position is developed 	Provides clarity for applicants, Heritage Barrie, and Council on the information required to submit a complete application. It also allows for more transparency on the processes for requesting alterations, additions or demolitions of designated properties This clarifies when the time-lines start (90 days for a decision)	Planning and Building Services Department, with a possible Summer Student project	Within the next year; subject to resources 2017
4.	Develop an application form and process for demolition of listed non-designated buildings	Provides information to applicants, Heritage Barrie, and Council to assist in decision making when considering demolishing listed buildings	Planning and Building Services Department, with a possible Summer Student project	Within the next year; subject to resources

ACTION ITEMS MATRIX

	It provides clarity as to when the timelines start (60 days for a decision)		2017
5. Pass a Heritage Property Standards By-law applicable to all Designated Buildings	Enforcement of a Heritage Property Standards by-law is intended to prevent demolition by neglect	Planning and Building Services Department and By-law enforcement staff	Within the next five years By 2022
6. Develop Protocols for First Nations' engagement	Establish a process to communicate decisions	Part of and after the Official Plan Amendment or OP Update Process	Within the next two to five years

Managing:			
1. Develop a template for heritage conservation agreements and stewardship agreements	<p>Conservation and stewardship agreements may be conditions of development, voluntary measures or condition of tax relief</p> <p>A template can facilitate understanding of the basic requirements and starting point for discussions</p>	Planning and Legal Services staff to research examples from other municipalities	Within five to ten years
2. Develop and adopt a manual for best practices and principles	This information can assist in implementing development conditions, review of renovation, and evaluation of impact of development on heritage resources	Planning and heritage specialist advice	Within five to ten years
3. Develop guidelines for interpretive installations of heritage resources	This should occur once a thematic history of the city is undertaken	Parks Planning and Planning staff, in consultation with Heritage or archaeological expertise and First Nation and Métis engagement where applicable	Within five to ten years
4. Prepare heritage management plans for select City owned properties; prioritizing the Historic Allandale Station	Leading by example demonstrates the City's commitment and willingness to invest in heritage resources	Planning with Facilities management staff. Adding a heritage component to City facilities management of designated buildings may require heritage expertise	When Allandale Train Station programming and use is confirmed
5. Implement a property tax relief for owners of designated properties with heritage conservation	This is an incentive to maintain and restore heritage buildings.	Planning and Building Services Staff in	Within five to ten

ACTION ITEMS MATRIX

agreements in place	This program should not be implemented until best practices and template conservation easement/heritage easement agreements are developed	consultation with Financial Services Department and the Province for Education Tax Relief	years
6. Monitor incentives for renovating listed properties and develop more detailed guidelines to help evaluate these renovations	There are no consolidated design guidelines for heritage improvements and renovations. Some information exists within façade guidelines and the intensification area guidelines, however more specific heritage guidelines would assist decision making	Planning Staff to co-ordinate Heritage Urban design specialist recommended	Within five to ten years as funds permit
7. Hold informational workshops on maintaining and renovating heritage properties	Information and advice is a proactive measure to facilitate best practices and principles	Heritage Barrie or other stakeholders can hold the events	Annual themes 2017-2021
8. Continue with annual heritage awards and consider adding heritage design to urban design awards when implemented	This provided recognition to efforts and excellence	Heritage Barrie and Planning and Building Services Department when Urban Design Awards are implemented	Continue 2017-2021
9. Develop an Archaeological master plan and protocol for First Nations' engagement	Recognition that plans be implemented in a manner that is consistent with the recognition and affirmation of existing Aboriginal and treaty rights under section 35 of the Constitution Act, 1982	Archaeological expertise and Provincial guidance as to appropriate protocols	Following Official Plan Update and consultation 2019
10. Develop a disaster protocol to coordinate actions in the event properties on the Municipal Heritage Register are subject to fire, flood, willful damage or other unanticipated emergency or disaster	This is to prevent loss or damage of heritage resources; especially protected properties	Heritage Barrie and other City departments and agencies. May require specialized advice	Within the next two to five years 2018-2022
