**Subject:** RE: Staff Report LCS006-18 - Sports Events/Facilities Advisory Committee.

Dear Mayor Lehman and Members of Council:

Please respect the concerns of the 700 citizens who signed the petition and 535 voted on the city uservoice.com site opposing the waterfront sports and entertainment facility.

I am in full agreement with Al McNair's email to you all regarding concerns about the Terms of Reference not including environmental impact on each submission; no "non-sports/tourism members on advisory committee; and no consultation with the public, as was expected for the proposed Military Heritage Place stadium.

Hoping you don't allow this new Advisory committee to be without other community and environmental members, as well as terms of public consultation,

Julie Waddell
