RE: REMEMBRANCE DAY FLAG DISPLAY

DATE: OCTOBER 28, 2019

The purpose of this Memorandum is to provide members of Council with an update concerning a Remembrance Day flag display that will go up throughout downtown Barrie on November 1st and remain in place until November 15th, 2019.

The City of Barrie has been creating flag installations since June 2018, featuring various design themes. Approximately two sets of flag designs (40 flags each set) are installed annually. Several months ago City Staff were approached by community members, with a request to consider creating a Remembrance Day flag display.

Staff from Marketing and Communications along with Business Development have been working with members of Heritage Barrie, Grey & Simcoe Foresters Regimental Museum, Barrie Legion and the Simcoe County Archives to design a series of flags to commemorate local area soldiers that have served in the Canadian Armed Forces during various conflicts. Photos displayed on the flags are of the following soldiers from Barrie or the immediate surrounding area:
