DEVELOPMENT PROPOSAL FOR THE RELOCATION OF THE GREY AND SIMCOE FORESTERS REGIMENTAL MUSEUM - UPDATE

J. Giaimo, Principal at Giaimo and Heritage Assessment Architect provided an update regarding the proposed relocation of the Armoury building located at 36 Mulcaster Street. He reviewed the recent history and current condition of the Armoury. Mr. Giaimo discussed the Conservation Strategy and four options concerning the proposed site placement of the Armoury.

Mr. Giaimo advised that the next steps will include preparing a final report regarding the proposed site placement of the Armoury. He noted that the final report will include details associated with the following:

- Site history;
- Architectural features;
- Building condition assessment;
- Proposed conservation strategy; and
- Heritage Impact Assessment.

Members of the Committee asked a number of questions related to the information provided and received responses from Mr. Giaimo and representatives from SOLUTIONS ink.
