GO TRAIN ELECTRIFICATION

P. Bursztyn advised the Committee that he attended the Metrolinx Transit Project Assessment Process - Public Meeting held on November 21, 2016 at Innisdale Secondary School in Barrie.

Mr. Bursztyn provided an information sheet that outlined the topics discussed at the meeting; as follows:

- Metrolinx bringing additional transit and connections to more places within the Greater Toronto and Hamilton Area (GTHA);
- Proposed double-tracks and electrified;
- The electrification on a train;
- The transit plan to be completed by 2025;
- A summary of the major projects to be completed; and
- The suggestions Mr. Bursztyn made at the Metrolinx meeting.
