### **BREAKOUT**

The Committee and heritage stakeholders in attendance broke out into groups to discuss three themes from the City's Heritage Strategy Action Items Matrix and proposed the following:

#### **Manage Heritage Resources:**

- To identify Barrie heritage properties through historical plaques and storyboards:
  - Assign a coordinator for the historical signage project;
  - Develop criteria for historical signage; and
  - Prepare a historical plaque/storyboard style guide.

#### **Communicate and Promote Heritage Values:**

- To increase the frequency of meetings for the Heritage Barrie Committee and heritage stakeholders;
- To further engage residents in the nomination process for the annual Heritage Barrie Awards;
- To develop a coordinated approach amongst heritage stakeholder groups in the development of heritage promotional brochures; and
- To increase the promotion of heritage through the City's website and social media platforms.

#### **Build Heritage Knowledge:**

- To organize heritage workshops in partnership with other heritage organizations in Simcoe County and the Province;
- To offer heritage workshop courses in different formats including online learning; and
- To educate residents on the various resources available to research the history of heritage properties.
