### **DONATION REQUEST FROM THE BARRIE HISTORICAL ARCHIVE**

D. Exel reviewed correspondence from the Barrie Historical Archive dated April 18, 2017 regarding the production of a documentary entitled "Ladies of VR" featuring leading women in journalism at CKVR during the 1980's and 1990's. Ms. Exel explained that the Barrie Historical Archive is requesting financial support for the production costs ranging from \$1,300.00 to \$2,100.00.

The Committee reviewed a spreadsheet of the Heritage Barrie Committee's actual and projected expenses for 2017. The Committee declined financial support of the "Ladies of VR" project due to budget constraints.
