**PROPOSED RENOVATIONS TO A DESIGNATED PROPERTY - 205 LAKESHORE DRIVE**

P. Bovolini, Facilities Capital Project Supervisor of the Corporate Facilities Department provided an update regarding the centre roof revitalization project for the Southshore Community Centre located on 205 Lakeshore Drive. Mr. Bovolini brought various shingle samples, as requested by the Committee at its previous meeting, and discussed shingle material composition, maintenance and installation costs.

The Committee asked questions regarding the information provided and received responses from staff.
