### **55+ INFORMATION DIRECTORY UPDATE**

C. Dillon, Accessibility Co-ordinator provided an update regarding the printing for the publication entitled "55+ Information Directory". Ms. Dillon advised that the 55+ Information Directory could be printed in-house; however, there would be a limit on the number of pages that could be printed. Ms. Dillon will work with the City's in-house printing staff to prepare a draft of the 55+ Information Directory for the Committee's review.
