OVERNIGHT PARKING - WINTER CONTROL

1. That By-law 2007-209 be amended to reduce the period during which on-street overnight **parking is prohibited from “November 1 of one year to April 15 of the next year” to “December 1 of one year to March 31 of the next year”** commencing immediately upon passage of the amending by-law.
2. That By-law 2007-209, as amended, be pro-actively enforced for the entire duration of the overnight parking restrictions, regardless of weather conditions and not on a “complaint only” basis.
3. That the Operations Department, in consultation with the Legal Services Department, develop specific provisions to be incorporated into By-law 2007-209 to address winter events occurring prior to December 1 or after March 31st, and to authorize the General Manager of Community Services, or his designate, to declare a winter event at any time where winter maintenance activities would be required and report back to General Committee.
