Submitted by:	Councillor Morales
Subject:	Enhancement to Proactive Property Standards By-law Enforcement
Reference Committee Name:	Community Safety
Reference Committee Date:	February 15, 2022
General Committee Date:	March 1, 2022
City Council Date:	March 8, 2022

Motion for consideration:

That staff in the Legislative and Court Services Department report back to General Committee outlining the additional resources that would be required to allow Enforcement Services to allocate approximately 50% of Municipal Law Enforcement Officer and Property Standards Officer time to proactive enforcement of City by-laws, with a specific focus on by-laws related to yard maintenance and property standards matters.

Reason or Rationale in support of the motion:

Resounding feedback from residents across the City, specifically in the non-winter months, and more prevalent in established neighbourhood.

Linkage:

- Responsible Governance - Maintain focus on city core services
