City Council Date:	October 4, 2023

Motion for Consideration:

That staff in the Development Services Department investigate the feasibility of a pedestrian crosswalk between Livingstone Street West and Longman Drive and report back to General Committee.

Reason or Rationale in support of the motion:

There is no pedestrian crossing on Livingstone St. W. for approximately one kilometre between Sunnidale Rd. and Ferndale Dr. N. This leaves pedestrians, particularly students from Emma King Elementary School, vulnerable along this busy street.

After consulting with staff, it was suggested that a motion be brought forth for Staff to formally investigate a pedestrian facility in the area.
