Good afternoon,

In order to be a deputation at City Council you must be in opposition to the motion that was passed by General Committee. The motion is that the City send a letter to the Ministry of Transportation, to advise them of the current situation concerning driving schools and request changes to the Drive Test routes.

Please confirm if you are opposed to this motion.

Thanks,

Wendy

Subject: Regarding Driver Training School Traffic

Dear City Clerk.

Can you please add my name to the list of people against the driving training school traffic that comes to my neighbourhood. They pull into my driveway and turn around, as well they park in front of my house on the street. As a result of this my dog starts to bark and it's not a nice introduction to moving into a new city.

Best regards.

Mr. Pattison
