Subject: Deputation on Allandale Station Lands - Future Deveopment and Sale - Staff Report IDC006-11

Importance: High

Morning Ms McAlpine

Please be advised that Bill Scott or myself (haven't decided who will speak) would like to speak in opposition to the recommended motion before Council on behalf of the Allandale Neighbourhood Association.

- Specifically, sub dividing the land into separate parcels.
- Rezoning to C11 - from 5 to 10 Story's
- Amending By-law 2006-282

We may be doing a power point presentation which would include Appendix A & C in the staff Report, and perhaps a few photos.

Not sure what else you may require at this time. We do hope to have a copy of our deputation to you for circulation first thing Monday morning, as we require time to review comments with the ANA members.

Sincerely
 Cathy Colebatch
 Co-Chair Allandale Neighbourhood Association

W.J. Scott, Ph.D., P.Eng., P.Geo. (NL)
 Consulting Geophysicist
 Co-Chair, Allandale Neighbourhood Association
