Motion for consideration:

That staff investigate the feasibility of establishing a no parking zone on the north side of Indian Arrow Road from Johnson Street easterly to the first driveway.

Reason or Rationale in support of the motion:

1. Since the completion of the new residential building at 47 Johnson Street people are parking on the north side of Indian Arrow Road when they visit the building.
2. At most times there are 4 to 6 vehicles parked in this area who are visiting 47 Johnson Street.
3. As this is a relatively busy intersection removing the parking on the north side will improve safety.
4. There is no parking on the south side of Indian Arrow Road in this area.
