CORNERSTONE STANDARDS COUNCIL (CSC) - STANDARDS FOR RESPONSIBLE AGGREGATES

WHEREAS the Cornerstone Standards Council (CSC), a group composed of aggregate operators, environmentalists, community representatives, First Nations, and consultants has developed an agreed Standard for responsible aggregate extractions;

AND WHEREAS the City of Barrie and its Environmental Advisory Committee supports in general the goals and objectives of the CSC concerning standards for responsible aggregates;

AND WHEREAS aggregate extraction is often harmful to the environment, particularly groundwater;

AND WHEREAS a local quarry within the Township of Oro-Medonte is CSC Certified;

AND WHEREAS Section 2.8 of the City of Barrie Procurement By-law 2016-035 encourages the procurement of goods, services and construction with due regard to the preservation of the natural environment and the promotion of human rights and fair labour practices;

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. That the CSC System encouraging local producers to pursue certification under the CSC, be supported.
2. That staff investigate the feasibility of procurement policies to include preferred purchases of CSC Certified aggregates.
3. That staff identify new municipal projects where the CSC have a positive impact including conservation projects and any projects being built to LEED specifications.

4. That a letter be sent to the Association of Municipalities of Ontario (AMO) and all local municipalities to encourage municipalities to learn about and support the CSC objectives for responsible aggregates.

REPORT OF THE SENIORS ADVISORY COMMITTEE DATED SEPTEMBER 11, 2017.
