RE: Maplecort Subdivision
Acceptance of Municipal Services
(File # D12-297, Registered Plan 51M-781)

DATE: March 2, 2015

We are pleased to inform you that in compliance with General Committee Motion 11-G-276 (see Appendix "A"), the "as-constructed" municipal services within, and complementary to the noted subdivision (located north of Mapleview Drive East and east of Prince William Way, see key plan in Appendix "B") have been completed to the satisfaction of staff and are proposed to be assumed by By-Law.

Acceptance of the "as-constructed" municipal services will allow the existing Letter of Credit to be reduced as such;

1. A letter of Credit, in the total amount of \$609,061.78, which includes \$529,061.78 for Engineering and \$80,000 for Parks Planning, will be held for minor deficiencies and uncompleted works. This will be held until the completion of the one (1) year maintenance period, at which time a final inspection of the works, within and associated with this plan, will be performed with the Developer.
2. Upon satisfaction of the one (1) year maintenance period, the remainder of the Letter of Credit will be released.

A copy of the full set of Record drawings has been placed in the Councilors' Lounge for review. If there are no concerns raised by Council, staff will request the Legal Services Department to prepare the necessary By-Law to assume the streets and accept the services within this plan of subdivision. The securities will not be reduced until such time as the assumption By-Law has been approved by Council. Please forward any questions or comments to the undersigned by March 16, 2015.
