Supervisor, Legal Services
City of Barrie

Barrie ON L4M 4T5

Dear Ms. Johnston:

**RE: Official Plan and Zoning By-Law Amendment Applications
20 Mills Road and 42 Norris Drive
City of Barrie**

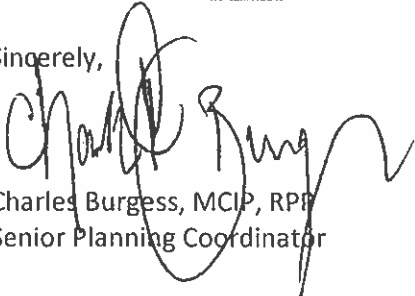

Thank-you for consulting with the Lake Simcoe Region Conservation Authority (LSRCA) with regard to the proposed Official Plan and Zoning By-Law amendments. The LSRCA has reviewed these applications for conformity with the Provincial Policy Statement (PPS) and consistency with the Lake Simcoe Protection Plan (LSPP).

Based on our review, we are satisfied from a watershed perspective that no applicable environmental policies would be adversely affected as a result of the proposed amendments. On this basis we have no further requirements for these applications.

Please note that Stormwater Management (SWM) should be addressed through the subsequent site plan process to the satisfaction of the City as per the Memorandum of Understanding between the LSRCA and City. Demonstration that the existing SWM facilities can accommodate the post development capacity should be provided.

If you have any questions please do not hesitate to contact the undersigned at 905-895-1281, extension 299 or via e-mail at c.burgess@lsrca.on.ca.

Sincerely,

Charles Burgess, MCIP, RPP
