

Get ready to roll...

Checklist for Starting Your Carts:

For residents/commercial properties outside the downtown

Roll carts to the curb by 7 a.m. on your collection day— set out both if it's garbage week, just organics if it's not.

Leave 2 ft of space between carts and other items.

Place carts on a flat spot on the boulevard or driveway – don't block sidewalks or bike lanes.

Keep lids closed and arrows facing the street.

CARTS START SEPT. 8!
