Flying Monkeys Craft Brewery is pleased to advise Barrie City Council that it is in the process of submitting an application to the Alcohol and Gaming Commission of Ontario for a Manufacturer's Limited Liquor Sales (By the Glass) License to sell and serve its craft beer to patrons for consumption in single servings at our manufacturing site. The intent of the By the Glass sale and service of our craft beer at the brewery site is to promote our product and provide an enhanced experience for our craft brewery tours.

Under the By the Glass licensing, beer may only be sold in quantities that do not exceed 341ml (12 oz.) and between the hours of 11:00 a.m. and 9 p.m. The Alcohol and Gaming Commission of Ontario does not permit the hours of operation to be extended. As part of this licence application, the interior of the Flying Monkeys facility is being renovated to accommodate the proposed By the Glass sales and we are not seeking an addition to our current footprint.

The Alcohol and Gaming Commission of Ontario requires Flying Monkeys Craft Brewery is required to provide written confirmation that Barrie City Council has passed a resolution in support of the Manufacturer's Limited Liquor Sales (By the Glass) License. I am hoping that Barrie City Council will support our licence by providing the resolution required by the Alcohol and Gaming Commission of Ontario. A By the Glass License, would allow Flying Monkeys to better educate our guests about our products in an interactive manner. We hope that you will be able to support our tourism initiative with a resolution of support.

Thank you for your consideration,
