Bravo to whomever organized this today. It was incredibly well executed, so many things to do. The nature playground provided hours of fun for my littles. The vendors and organizations from around the community were outstanding. The bouncy castles and lines for them were short and well monitored. I'm glad I got to enjoy this day with my little ones. Thanks Barrie!

Kathy, Shawn and Melissa from @CHorizons stood out with their fire safety knowledge at our Safety Wheel. Fire drills at #vulnerableoccupancies are making a difference, these guys knew their stuff! #CelebrateBarrie
