RE: 54 St. Paul's Crescent -- Listing on the Municipal Heritage Register

We received your letter of April 10, 2017, in which you request that the aforementioned property be listed in the Barrie Municipal Heritage Register.

We note with interest that the said property was identified on the Innisfil Municipal Heritage Register. We were unaware that this property was listed by the Town of Innisfil.

Because the property is now situate within the City of Barrie, you seek to register this property within the Barrie Municipal Heritage Register.

Please be advised that it is the policy of the Incorporated Synod of the Diocese of Toronto that such designations are not desirable nor to be sought after, and instead discouraged.

Therefore, we request that the Heritage Barrie Committee does **not** list the subject property.

Yours truly,

Rev. Debbie A. Dennis,
Incumbent

Mike Sindrey,
Rector's Churchwarden

Wanda Dickey,
People's Churchwarden
