Registration opens December 6 for winter recreation and culture programs

(Barrie, ON) – The City will open registration for the winter season on Tuesday, December 6 at 8 a.m. Effective tomorrow, Tuesday, November 29, customers can browse offerings and save them to their “Wish List”, to conveniently find desired programs when registration opens.

In addition to in-person programs, the City continues to offer [recPASS memberships](#) that include fitness drop-in programs, skating drop-in programs (including public skates and Stick & Puck), swimming drop-in sessions (including open swims, lanes swims and aqua-fit), open gym sessions (including drop-in basketball, volleyball and pickleball), all kids drop-in programs and after-school programs, and unlimited access to the fitness centres at the Allandale Recreation Centre, East Bayfield Community Centre and Peggy Hill Team Community Centre.

“As we head into winter, it’s the perfect time to take advantage of the City’s premier recreation programs and facilities,” says Steve Lee-Young, Manager of Recreation and Culture Programs. “Signing up for a registered program or purchasing a recPASS membership is a great way to stay physically and mentally active throughout the winter season.”

The City also provides a fee assistance program, called [RecACCESS](#), that offers support to low-income families and individuals in Barrie by providing qualifying participants with a recPASS membership and youth credits that can be applied to the registration fee for qualifying programs and activities.
