## Motion for consideration:

That Empower Simcoe be extended an invite to present to an available meeting of City Council

## Reason or Rationale in support of the motion:

Jamie Hall, Marketing Manager of Empower Simcoe, on behalf of CEO Dr Claudine Cousins, reached out to me October 24<sup>th</sup> 2024 to see if I could facilitate an invitation for Empower Simcoe for them to present to Council the work they are doing in the community. He told me Dr Cousins is already planning to do deputations to the councils of Innisfil, Orillia and Bradford, and that the content of the presentation is information sharing, no requests from Council.

## Linkage:
