

Notice – Item for Discussion

Submitted by:	Councillor, C. Riepma
Subject:	Street parking - Steel Street between Johnson Street to Penetanguishene Road
Reference Committee Name:	Executive Committee
Reference Committee Date:	September 24, 2025
General Committee Date:	October 29, 2025
City Council Date:	November 5, 2025

Motion for consideration:

That staff investigate the feasibility of establishing a no parking zone on one side of Steel Street between Johnson Street and Penetanguishene Road.

Reason or Rationale in support of the motion:

1. Because of the number of BLRs and multiple family homes in this area, there is a great deal of parking on both sides of the street.
2. The parking restricts traffic and buses from easily using the street.
3. If parking were restricted to one side of the street, traffic would move more easily and bus traffic would not be impeded.
