RE: BRADFORD STREET CORRIDOR STUDY – NOTICE OF PUBLIC INFORMATION CENTRE NO. 1 AND INVITATION FOR COMMENT (WARDS 2 AND 8)

DATE: JANUARY 10, 2022

The purpose of this Memorandum is to provide members of Council with advance notice of the upcoming Public Information Centre (PIC) for the Bradford Street Corridor Municipal Class Environmental Assessment (EA).

The City of Barrie is undertaking a Schedule 'C' EA to identify long-range multi-modal transportation and streetscape improvements to support planned growth. The study is focusing on two specific areas: the Bradford Street corridor and the intersection pair of Tiffin Street/Bradford Street and Tiffin Street/Lakeshore Drive.

To advise the directly affected public of the PIC, a letter will be mailed on January 11, 2022, to agencies, businesses, property owners and tenants. To ensure Council has the same information as the public, this memo includes a copy of the mailout information.

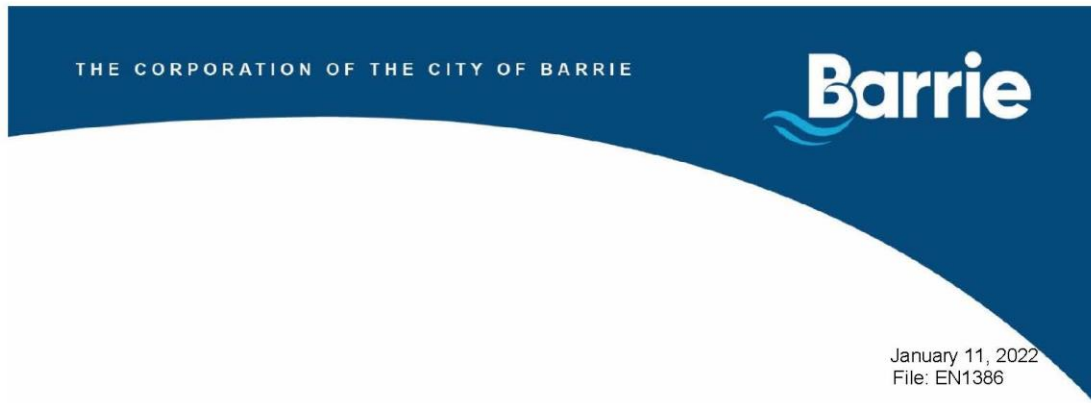

The following table identifies the current public contact point (shaded) for this Class EA:

CONTACT POINT	DATE	METHOD
Notice of Study Commencement	June 2021	Newspaper advertisements and letters to directly affected public, agencies, First Nations
Notice of Public Information Centre No. 1	January 2022	Newspaper advertisements and letters to directly affected public, agencies, First Nations
Notice of Public Information Centre No. 2	2022 Q3	Newspaper advertisements and letters to directly affected public, agencies, First Nations

**RE: BRADFORD STREET CORRIDOR STUDY – NOTICE OF PUBLIC INFORMATION CENTRE NO. 1
AND INVITATION FOR COMMENT**

The City of Barrie is undertaking a Schedule 'C' Municipal Class Environmental Assessment (EA) to identify long-range multi-modal transportation and streetscape improvements to support planned growth. The study is focusing on two specific areas: the Bradford Street corridor and the intersection pair of Tiffin Street/Bradford Street and Tiffin Street/Lakeshore Drive. If you are a member of the public, you are receiving this letter because you own property or reside within the study area boundary (see reverse for study area map).

Public Information Centre No. 1

The first of two Public Information Centres (PICs) is being held on January 27, 2022, to introduce the study and gather community feedback. An information package will be posted on the project website on January 25, 2022. The package will present the study scope, existing conditions, problems and opportunities, alternative solutions, early design concepts, and next steps.

If you do not have internet access, the City's Public Libraries offer free internet access. Alternatively, hardcopies of the presentation will be made available at City Hall (1st Floor, Planning Reception) for two weeks following the PIC.

Date:	Thursday, January 27, 2022
