My Commitment

Commitment to Communication

1) City of Barrie

- Annual presentations to Council
- Individual phone calls and emails with Council Members and Mayor to learn of localized issues
- Regular correspondence regarding potential Federal funding for local projects
- Engaging Council to match council strategy, goals, & priorities with coming application intakes

Special Service to our Riding

RFP Consultation – Advice – Preparation

- Ensure all local applications for RFP's, funding intakes, & grants are given the best chance of success
- Keith Strachan will work on a case-by-case basis with local partners
- Our goal is to help you deliver more funding to this area than ever before

Commitment to Communication

2) Community

- Newsletters & Householders to be sent to the riding to both inform of current issues, while requesting opinions from constituents on pertinent issues
- Townhall Meetings to be held to find out what are the most important issues facing the various parts of the riding

Role of Alex Nuttall

Member of Parliament

- Work on behalf of our riding to communicate local concerns, issues, and priorities within our community

Critic for Economic Development in Southern Ontario (FEDDEV)

- Hold the government to account regarding strategy, use of funds, and quality of business cases within the related programs

FedDev Ontario

Appointed to the Parliamentary Committee for Industry

Items of Concern

- Lake Simcoe – Southeastern Georgian Bay Cleanup Fund intakes are complete with the funding commitment ending in 2017
- Back-ending of Federal Infrastructure Spending below promised targets
- Elimination of Tax Credits for Children
- Structural Deficits with no end in sight

Your Office Accountability

- If our office does not respond from a position of service: *Demand It*
- If I talk of our successes without defining new goals in service: *Request It*
- When I speak of being an MP or Critic as though it is who I am rather than a position I serve in: *Correct It*
