CONFIRMATION OF THE MINUTES

18-A-019 The minutes of the City Council meeting held on March 5, 2018 were adopted as printed and circulated.

AWARDS AND RECOGNITION**18-A-020 RECOGNITION OF LIAM SURKA AS THE WINNER OF THE "I LOVE BARRIE" ESSAY CONTEST**

Councillor, M. McCann provided details of a contest for Ward 10 students to write an essay related to why they love Barrie. He commented that he introduced this initiative to bring the Ward 10 community closer together by having a fun contest. Councillor McCann advised that Liam Surka was the winner of this year's contest. Councillor McCann remarked that after reading the submissions he felt good about the future of Barrie residents. He noted that Liam's essay was genuine and brought back memories for him of growing up in the City of Barrie.

Liam read his essay as follows:

"Barrie is an amazing city! From sports teams to beaches and the Wibit, to ski hills and trails, here are some of my favourite things about the city I call home.

I love Barrie because of the bike trails. When my friends and I are bored over the spring and the summer months, we can just get on our bikes and go on the trails to what feels like our own little private beach, Wilkins' Beach.

At Centennial Beach, there is a little ice cream shop that has delicious ice cream! It's the perfect treat to have when you're done playing on the Wibit. The Wibit is a giant water trampoline that is big enough to fit 100 kids!

During the summer you can come to Kempenfest and see lots of handmade things people have to sell or you can sell something.

Along the lake on Canada Day you can participate in the Canada Day run! You can run a 1 km, a 5 km or a 10 km race.

Barrie is located on Lake Simcoe which is an amazing spot to go sailing, rowing, paddle boarding, boating, tubing and water skiing! It's the perfect place to fish in the warmer months and ice fish in the winter. The lake has some of the biggest fish I have ever seen!

Over the winter months, the City of Barrie turns our neighbourhood tennis/ pickleball courts into a hockey rink that my siblings and I go to play hockey. Talking about hockey, Barrie is home to my favourite OHL team the Barrie Colts! The Barrie youth hockey league (BMHA) is the best hockey league in the world! The Barrie teams always go so far in the playoffs.

One of my favourite winter things to do is to tube at Snow Valley. Another fun thing to do at Snow Valley is to ski and snowboard and it's only minutes away from my house! During February you can come to downtown Barrie and participate in Winterfest which is a great way to get your family outside!"

Mayor Lehman congratulated Liam on his essay and thanked him for attending City Council.

DEPUTATION(S) ON COMMITTEE REPORTS

18-A-021 DEPUTATION BY JOSEPH SANTOS, PRESIDENT OF ADVANCE TECH DEVELOPMENTS REGARDING MOTION 18-G-061, ZONING BY-LAW AMENDMENT AND SITE PLAN CONDITIONS - ADVANCE TECH DEVELOPMENTS, 5 POINTS SITE (2-14 DUNLOP STREET WEST, 41-43 MAPLE AVENUE AND 30-40 BAYFIELD STREET) (WARD 2)

Mr. Joseph Santos, President of Advance Tech Developments provided a deputation in opposition to motion 18-G-061, Zoning By-law Amendment and Site Plan Conditions - Advance Tech Developments, 5 Points Site located at 2-14 Dunlop Street West, 41-43 Maple Avenue and 30-40 Bayfield Street.

Mr. Santos thanked members of Council and City staff for their leadership and continued support of the 5 Points Project. Mr. Santos advised that Advance Tech is excited to get started with this iconic project and he expressed that he believes the project will be a major contributor to the rejuvenation of the 5 Points area and Downtown Barrie as a whole.

Mr. Santos advised that he would be speaking on the Maple Lane access in contrast to the main motion that was recommended at General Committee last Monday. Mr. Santos commented that he believes their application supports the police report related to their design. He advised that they met with representatives of the Barrie Police to specifically review the inclusion of gates, doors, key pads, security monitoring, and their lighting plan as was proposed in the Site Plan. Mr. Santos advised that the police report confirmed the natural surveillance the building would provide and he noted that it's one of the main concepts used in good Crime Prevention Through Environmental Design (CPTED) principles, with the natural access controls, and extensive lighting plan. Mr. Santos noted that the laneway is a service corridor that runs through the building and is approximately 80 feet in length and big enough to fit a large truck. He commented that a phone and key pad / fob system would be placed on both sides of the overhead doors for required access to the corridor. Mr. Santos advised that access to the corridor would be available to legitimate users such as unit owners, City staff, neighbours, equipment and the residents themselves.

In conclusion, Mr. Santos advised that they are happy with the current design, rezoning and Site Plan for the Development. He stated and that he feels it is a superior project. Mr. Santos asked members of Council to support Councillor Romita's amendment by removing the word "not" from paragraph 4 of the recommended motion.

Members of Council asked a number of questions related to the deputation and received responses from Mr. Santos.

18-A-022 DEPUTATION BY BARB TANSLEY REGARDING MOTION 18-G-062, APPLICATION FOR ZONING BY-LAW AMENDMENT - INNOVATIVE PLANNING SOLUTIONS INC. C/O DARREN VELLA ON BEHALF OF 2440511 ONTARIO INC. - 521, 527 AND 531 BIG BAY POINT ROAD (WARD 9)

Mayor Lehman advised that Ms. Tansley was unable to attend the meeting to provide her deputation and provided written correspondence that was placed at each member's desk as it was received after the printing of the Additions.

SECTION "C"

18-G-054 APPLICATION FOR A ZONING BY-LAW AMENDMENT - THE JONES CONSULTING GROUP LTD. C/O RAY DUHAMEL ON BEHALF OF LOTCO LTD. (C/O GARO BOSTAJIN) - 70 DEAN AVENUE (WARD 9) (FILE: D14-1644)

Mr. Ray Duhamel of Jones Consulting Group on behalf of Lotco Ltd. advised that the purpose of the Public Meeting was to review an Application for a Zoning By-law Amendment for lands municipally known as 70 Dean Avenue.

Mr. Duhamel discussed slides concerning the following topics:

- An aerial photographs of the site location, context and surrounding uses;
- A photograph illustrating the existing property conditions;
- The approved Growth Plan and Provincial Policy Statement under *The Planning Act*, in context of the subject land;
- A map illustrating the City of Barrie's Official Plan;
- A map illustrating the Painswick Secondary Plan;
- A map illustrating the proposed Zoning By-law Amendment;
- The information prepared and submitted in support of the application;
- Renderings illustrating the context of the plan;
- Conceptual renderings illustrating the streetscape, the proposed building types and evaluations;
- The first Site Plan submitted with the application; and
- An alternative Site Plan that addressed the feedback received from City staff and the community.

Ms. Bailey Chabot, Planner provided details related to the application, the status of the technical review process, amendments to the proposed plan, the site design, and the requested site specific zoning provisions. She discussed the comments and concerns of the members of the public in attendance at the Neighbourhood Meeting held on March 1, 2018 and the

anticipated timelines for the staff report regarding the application.

VERBAL COMMENTS

1. **Mr. Jeff Catlin, 18 Russell Hill Drive**, advised that he had questions related to the data provided within the presentation. Mr. Catlin questioned the indication of lower traffic volume periods in certain areas after the development is completed and that with a potential increase of 200 or more vehicles from the proposed development, why there are lower traffic volumes indicated. Mr. Catlin questioned the percentage low income residents. Mr. Catlin discussed his concerns related to not knowing the entire development concept upfront and that certain decisions of the proposal being addressed later on. Mr. Catlin commented that the changes made to the site plan after the neighbourhood meeting including changes to the road seem to result in slower traffic volumes on some streets and increased volumes on others. He commented potential traffic short cuts through the existing streets and that he felt the changes to the entrances and exits of the development, the shorter distances between entrances and the addition of bicycle lanes could potential cause higher volumes of traffic and safety hazards. Mr. Catlin questioned how this affects the area residents.

Mayor Lehman and Ms. Chabot provided a response to Mr. Catlin.

2. **Mr. Tom Lowry, 94 Dean Avenue**, commented on the positive aspects of the development including the designs of the architects, that he felt the development compliments the current neighbourhood. Mr. Lowry discussed the slope at the entrance to the underground parking garage and questioned if there will be a connecting walkway to the plaza. Mr. Lowry noted his concerns with the on-street parking, the long standing large dirt pile near the proposed development and the need for more sidewalks in the area.

Mr. Duhamel provided a response to Mr. Lowry questions.

3. **A resident of 86 Russell Hill Drive**, discussed his concerns associated with the number of buildings in the area and that the traffic is increasing drastically, resulting in danger for the community. He discussed his concerns associated with the buildings height, as he felt it would be an obstacle to his current view. He raised concerns associated with the recent increase in his property value. In closing the resident indicated that he felt that the development will not work in that area.

SECTION "F"**18-G-057 AUTHORIZATION FOR INCLUSION OF CITY LANDS FOR DEVELOPMENT APPLICATION AND EXPLORATION OF UNDERGROUND PARKING STRUCTURE - 155-157 DUNLOP STREET EAST (WARD 2)**

1. That HCA Architecture Incorporated Architects. on behalf of the Developer of 149-153 Dunlop Street East be authorized to submit a development application for a downtown hotel/condominium development that includes the City's property at 155-157 Dunlop Street East (Sam Cancilla Park) in order to explore a 'park over parking' solution that would achieve improvements to Sam Cancilla Park and foster a strategic development in the downtown.
2. That any planning applications submitted by the Developer that include the City's lands, be at the Developer's own expense and with the understanding that any development application will be considered on its own merits and no approval is being implied by agreeing to include City property in an application.
3. That the City Clerk be authorized to execute any documents to provide such authorization.
4. That any exploration of the City's property for including a 'park over parking' model, be conducted in alignment with the following principles:
 - a) The City retain ownership of 155-157 Dunlop Street East (Sam Cancilla Park) and any consideration for utilization of the property be for the sub-surface (underground) of the park and for lease only;
 - b) The property surface (Sam Cancilla Park), be preserved as public open space and the Kiwanis Pavilion remain a feature of the park;
 - c) Engagement be initiated between the Developer, the City and the existing public consultation process on the park design for Sam Cancilla Park to ensure a collaborative approach to improvements to Sam Cancilla Park that achieves a shared vision for Sam Cancilla Park;
 - d) The City achieving fair market value or equivalent for leasing; and
 - e) Exploration of the 'park over parking' solution to include opportunities to improve overall grade of Sam Cancilla Park, access/connections to North Shore Trail, aesthetic or use improvements to Sam Cancilla Park, adaptive re-use of the reservoir underground, retaining existing buildings within Sam

Cancilla Park (pump house), and other benefits that may be identified.

5. That staff in Business Development report back to General Committee upon completing the exploration to use of the City's sub-surface property for lease for a 'park over parking' model with a recommendation on its viability to be utilized for a 'park over parking' model and associated next steps.
