Dear Prime Minister Carney and Premier Ford:

Re: Removing HST/GST from New Homes to Support Housing Affordability

At its meeting of October 21, 2025, the Council of the Town of Bradford West Gwillimbury adopted the enclosed motion calling on the Governments of Canada and Ontario to remove the federal and provincial portions of the HST from new homes purchased as primary residences.

This measure would extend the relief already provided for purpose-built rental housing to families seeking to buy their first home. It represents a practical, immediate step toward improving affordability and supporting new housing supply.

For an average new home in our community, the 13 percent HST adds tens of thousands of dollars to the purchase price, a burden that directly undermines our shared goal of making homeownership affordable for working families and seniors. Removing that tax would provide meaningful relief.

Bradford West Gwillimbury is one of Ontario's fastest-growing municipalities, investing heavily in growth-related infrastructure while working to keep housing within reach. We urge both levels of government to work together on this change as part of a broader strategy to make homeownership attainable again for young Canadians. Simply put, cutting taxes in this way will help make life more affordable.

We would welcome the opportunity to contribute to any federal-provincial review of housing-related taxation and policy tools that can help deliver more affordable homes.

Sincerely,

Mayor James Leduc
Town of Bradford West Gwillimbury

Jonathan Scott
Councillor, Ward 2
