<b>Subject:</b>	Raised Intersection – Madelaine Drive and Country Lane
<b>Reference Committee Name:</b>	Community Safety
<b>Reference Committee Date:</b>	May 8, 2024
<b>General Committee Date:</b>	May 29, 2024
<b>City Council Date:</b>	June 5, 2024

### Motion for consideration:

That staff in Development Services Department submit a Capital Project Intake Form for consideration as part of the 2025 Capital Plan concerning the installation of a raised intersection at Madelaine Drive and Country Lane.

### Link to Vision

- Address speeding and aggressive driving to ensure street and pedestrian safety

### Reason or Rationale in support of the motion:

Raised intersections are designed to create a safe, slow speed crossing and public space at minor intersections. .
