11-A-039      John Wellar of Barrie North Winter Tennis (BNWT) addressed City Council regarding motion 11-G-020 of the General Committee Report dated January 24, 2011 concerning the Barrie Community Tennis Club (BCTC) RinC Application. He stated that Barrie North Winter Tennis is located in Springwater Township north of Barrie, is privately owned and operated since 2003 and currently has a membership of 280 members. He explained that BNWT consists of four tennis courts under a heated air-supported dome and described his membership and the capacity of the club. Mr. Wellar noted that BNWT offers lessons and has partnered with the City of Barrie for the last six years. Mr. Wellar provided his comments regarding the reports submitted to City Council prepared by City staff concerning the Barrie Community Tennis Club RinC Application. Mr. Wellar highlighted the findings of the Parks and Recreation Master Plan prepared by Monteith Brown Planning Consultants and stated that he feels that the local indoor tennis market could not sustain two separate facilities.

Mr. Wellar commented that he believes that locating the proposed tennis dome at Lennox Park is not desirable and stated that there are a number of questions that are unanswered. Mr. Wellar expressed concerns regarding the Barrie Community Tennis Club's operating budget and offered a number of projections that he had prepared using the numbers provided by the BCTC. In conclusion, he requested that City Council not support the Barrie Community Tennis Club RinC Application associated with the location of a Winter Tennis Facility at Lennox Park.

Members of City Council asked a number of questions related to the deputation.

**CARRIED**

---

11-A-047 Brenda Andress, Executive Director of the Canadian Women's Hockey League provided a presentation to City Council regarding the Clarkson Cup. She noted that the Clarkson Cup will be held at the Barrie Molson Centre in March with the round robin tournament taking place March 24, 25, 26 and the championship game on March 27, 2011. Ms. Andress provided the history of the Clarkson Cup and explained that both the Canadian Women's Hockey League and the Western Women's Hockey League participate in the tournament. She commented that former members of the National Hockey Team will be participating in a number of community outreach programs including visiting with students from area schools.

Ms. Andress stated that the Canadian Women's Hockey League is requesting an in-kind contribution of the special event rental costs associated with the use of the Barrie Molson Centre and an additional \$15,000 cash sponsorship. She commented that she believes that the City of Barrie will receive an economic benefit from hosting the tournament including increased profile from being featured on TSN and the History Channel. Ms. Andress concluded that she feels the tournament is an opportunity to share in strengthening women's hockey at the national level.

Members of City Council asked a number of questions related to the presentation.

**City Council recessed at 9:31 p.m. and resumed at 9:41 p.m.**

11-A-048 Ed Archer, General Manager of Corporate Services provided a presentation to City Council regarding Public Performance Reporting and the Ontario Municipal Benchmarking Initiative (OMBI) 2009 Report. Mr. Archer explained that OMBI is a partnership of a number of municipalities that identify and develop appropriate service specific performance measures. He explained that the municipalities analyze the benchmark results and identify potential best practices of service, efficiency and quality in Ontario municipalities. He noted that OMBI provides a useful management decision making tool that integrates financial and performance data. Mr. Archer commented that the OMBI membership helps Barrie by providing networking and collaborative opportunities with other municipalities and uses progressive management tools, processes and standardizes performance indicators.

Mr. Archer explained that the annual OMBI report provides performance data and offers high-level insights that help identify where more focused analysis could occur about improvement opportunities. He outlined Barrie's performance in the 2009 OMBI Report and noted that Barrie is generally at the median or average of an indicator result. He concluded by indicating that staff will continue to use the annual OMBI Report to support discussions about services and service levels in decision making for the annual Business Plan and to identify services where performance results suggests improvements may be available by adapting practices or policies in other municipalities.

Members of City Council asked a number of questions related to the presentation.

---

11-A-049      Blaine Parkin, Director of Corporate Asset Management provided a presentation to City Council concerning Road Condition Assessment and Asset Management. He explained the key principles of asset management and described two road assets, asphalt pavement surface and granular base. Mr Parkin outlined the method of collecting road condition information and how the structural conditions of roads are evaluated. He provided the City of Barrie's road assessment results and explained that acquiring accurate and reliable data allows for improved analysis and effective budgeting. Mr. Parkin concluded the presentation by describing the PavePro software application and explained how asset management data leads to a better road network.

Members of City Council asked a number of questions related to the presentation.

The General Committee met for the purpose of a public meeting at 7:01 p.m. and reports as follows:

Mayor Lehman advised the public that any concerns or appeals dealing with the proposed application for a Rezoning – A.D.A. Custom Homes Limited – 380 Essa Road should be directed to the City Clerk's Office. Any interested parties wishing further notification of the staff report regarding the matter were advised to sign the appropriate notification form required by the City Clerk's Office. Mayor Lehman confirmed with the Deputy City Clerk that notification was conducted in accordance with the Planning Act.

**SECTION "A"**

**11-G-013 APPLICATION FOR A REZONING - A.D.A. CUSTOM HOMES LIMITED - 380 ESSA ROAD - (January 24, 2011) (File: D14-1499)**

Darren Vella of Innovative Planning Solutions advised that the purpose of the public meeting is to review an application for a rezoning submitted on behalf of the owner, A.D.A. Custom Homes Limited for lands located on the east side of Essa Road, north of Veteran's Drive. He noted that the subject property is legally described as Part of Lots 19 and 20, Registered Plan 67, and is located within the Holly Planning Area. The property is known municipally as 380 Essa Road and has a total area of approximately 0.4ha (1.0 ac.).

Mr. Vella explained that the lands are considered to be designated Residential Area within the City's Official Plan and are currently zoned Single Detached Dwelling First Density (R1) in accordance with Zoning By-law 85-95 and 2009-141. He noted that the owner has applied to amend the current zoning of the property from Single Detached Dwelling First Density (R1) to Multiple-Family Dwelling Second Density (RM2) Special Provision (SP) to permit the future development of the property for a three-storey residential apartment building with 30 residential units. Mr. Vella commented that the proposed Special Provisions would provide for an increase in Gross Floor Area (GFA) from 60% to 66.4% and an increase in density on site from 53 units per hectare (UPH) to approximately 74 UPH.

Mr. Vella provided a concept plan of the proposed development and described the site location and surrounding land uses. He noted that parking will be available above ground and underground. He commented that the existing mature trees and vegetation will be maintained. He concluded by stating that he believes that the proposed development meets Places to Grow and meets the City's intensification study, the Official Plan and Zoning By-law.

**PUBLIC COMMENTS:**

1. **E. Conway, 28 Aikens Crescent** commented that she did not want the apartment building constructed so close to her backyard. Ms. Conway stated that she was strongly opposed to the rezoning as she believes the 3 storey building will impact the privacy in the backyards and decrease the property values on Aikens Crescent and Sunset Place. Ms. Conway presented the City Clerk with a petition in opposition of the rezoning signed by 15 individuals.

**WRITTEN CORRESPONDENCE:**

1. Letter received January 19, 2011 from Dan Hendricks on behalf of the residents of Aikens Crescent and Sunset Place.

The General Committee recommends adoption of the following recommendation(s) which were dealt with on the consent portion of the agenda:
