City celebrates Seniors Month

(Barrie, ON) – June is recognized as Seniors Month in Ontario. The month is dedicated to recognizing older adults and the contributions they have made to our community. This year will mark the 41st anniversary of celebrating seniors and the tremendous contribution they make to the vibrancy of the City of Barrie.

"Barrie's seniors helped build the beautiful city we're proud to call home," shared Mayor Alex Nuttall. "Their impact is seen and felt in every corner of our community.
