Subject: Addition Information for Tonight's IIDSC Meeting

Good Afternoon,

Please find below additional information received from Mr. Joe Tascona concerning his Open Delegation being held at tonight's IIDSC meeting.

As a follow up to Mr. Joe Tascona's May 18, 2016 letter:

1. On Collier Street in addition to metered parking there is permit parking in front of commercial buildings so unclear on the different treatment between Worsley street. In addition, the Court House now has a new parking lot for increased parking so not clear why parking on Worsley Street is needed for the Court House and the City is selling 2 parking lots on Owen street and behind the Library so loss of parking cannot be an issue.
2. On Worsley Street there is parking spaces in the front of the buildings located at 80 Worley street and St. Andrews church. Accordingly, I am requesting permission for two(2) parking spots on the 84 Worsley Street property in the front of the building, one(1) parking shall be designated for Accessible Parking and the other space for normal parking.

Thank you,

Tara
