<b>BRIEF STATEMENT OF PURPOSE OF THE OPEN DELEGATION:</b> When driving around the city of Barrie, <u>numerous</u> lights will not change due the fact that the magnetic vehicle detectors do not detect most motorcycles. I have called already and the man who called me back suggested that to stay legal, I perform 1 right turn and then a U-Turn. That's crazy talk. Street examples (and there are so many more): Miller and Tiffin facing Dunlop; Yonge street leaving GO station facing Yonge street; Bayview & Mapleview going south on Bayview. The list goes on and on. I pay vehicle registration taxes and have the right to get a green light at some reasonable point.
