Residential and Business/Institutional Set-outs

Residential 1 to 5 units				
	Organics cart	Garbage cart	Recycling boxes - Manual <i>Residential recycling is managed by Circular Materials</i>	Yard waste - Manual
Business/ Institutional				
	Organics cart	Garbage cart	Recycling cart	Yard waste - Manual

*Option for smaller 120L garbage cart upon registration.

Cart Limits Based on Property Type

Unit Type	# of Units per Property	Maximum # of Garbage Carts (240 L), per Property	Maximum # of Organics Carts (120 L), per Property	Recycling Collection
Residential	1			<p>Under the provincial Blue Box Regulation, residential recycling is not managed by the City of Barrie.</p> <p>No change to how residential recycling materials are collected (blue and grey boxes).</p> 
	2			
	3			
	4			
	5			
Business/ Institutional	1+			 360L cart

**Property owners will be able to request a smaller (120L) garbage cart at no charge and additional carts for residential properties with 2-5 units.*

Cart Selection and Registration (to March 31)

Residential Properties (1 to 5 units)

- Smaller size garbage cart
- Additional set(s) of carts (limits apply)

Business/Institutional Properties

- Must opt in for service
- One set of carts (multiple business units must share)
- Organics cart (new!) and recycling cart provided

BIA Properties

- Must register to receive service
- Staff working with property owners to determine waste capacity, cart storage and set out requirements
- Additional service tools – semi-automated collection, enhanced collection schedule, collection from rear-laneways, etc.
- On-going consultation, collaboration

Select your carts (property owners only)

Property owners, enter your property address below by March 31, 2025, to request:
a) a smaller 120L garbage cart.
b) additional sets of carts (residential properties 2-5 units)
c) municipal waste service for business/institutional properties.

By default, all eligible residential properties receive one 240L garbage cart and one 120L organics cart. No selection is required if you are satisfied with the default set of carts.

Cart deliveries occur June - August. Collection begins September 8.

Size exchange requests will be permitted starting October 20, 2025 (\$50 fee applies).

	Standard size	Optional size
120L garbage can	240L garbage cart	120L garbage cart
Garbage can is not provided. For size reference only.	Depth 72 cm	Depth 62 cm
75 cm	105 cm	96 cm
66 cm	68 cm	47 cm

Tip: Type out your address slowly and select it from the list that appears. Use the legal/tax address of your property.

September 8, 2025

Meet your new carts!
Residential properties will receive the following carts at no charge:

-  **One 120L organics cart**
-  **One 240L garbage cart**
with option to request a smaller 120L garbage cart.

Cart delivery begins summer 2025
barrie.ca/CurbsideCollectionChanges

Recycling carts will not be provided by the City. Residential recycling is collected and managed by Circular Materials.
