The purpose of this memo is to inform Council of the MarCom Awards the City of Barrie received this year. Access Barrie's Marketing and Communications department was awarded three MarCom Awards for 2024: Platinum, Gold, and an Honourable Mention.

Now in its 20th year, the [MarCom Awards](#) are an international creative competition recognizing outstanding achievements by marketing and communication professionals. Entries come from marketing and communication departments, advertising agencies, public relations firms, design shops, production companies, and freelancers. This year, there were over 6,500 entries from Canada, the United States, and 52 other countries.

MarCom is one of the oldest, largest, and most-respected creative competitions in the world and is administered by the Association of Marketing and Communication Professionals. The Association oversees awards and recognition programs, provides judges, and sets standards for excellence.

MarCom's Platinum Award is presented to those entries judged to be among the most outstanding entries in the competition. Platinum Winners are recognized for their excellence in terms of quality, creativity, and resourcefulness. About 16 per cent win this award.

The City received a Platinum Award for its [Curbside Collection changes \(Phase 1\) Communication Plan](#). Working with the Waste Management and Environmental Sustainability department, Communications staff developed a comprehensive plan to ensure that households and businesses were informed of the [Phase 1 changes](#) through a wide variety of tactics, including in-person events, online outreach, traditional media and social media, print pieces, and Councillor materials. The campaign helped inform all Barrie residents and businesses about the changes to curbside collection to mitigate concerns/questions, ease any inconveniences, and provide reassurance the City was meeting the latest industry standards in waste management. The automated phone call campaign reached over 35,000 residents, and social media posts produced 16,516 engagements.

The Gold Award is presented to those entries judged to exceed the high standards of the industry norm. Approximately 21 percent are Gold Winners.

This year, the [City won Gold for the 2024 Airshow](#), in the category of Marketing/Promotion campaign – Special Event. In partnership with the Canadian Forces Base Borden, the County of Simcoe, the Lake Simcoe Regional Airport, and the Downtown Barrie BIA, the 2024 Barrie Airshow was part of a series of celebrations marking the 100<sup>th</sup> anniversary of the Royal Canadian Air Force.

With only 11 weeks to plan the event, staff in Recreation and Culture Services and Economic and Creative Development, promoted by Marketing and Communications, worked closely and collaboratively with local partners and stakeholders to ensure the event was a resounding success.
