Subject: Incomplete Sidewalk on Edgehill Drive

To: Mayor Jeff Lehman

On behalf of the student community at the Good Shepherd School, we respectfully request an opportunity to make a presentation to City Council regarding the lack of a continuous sidewalk on Edgehill Drive between Miller Drive and Ferndale Drive. Our students have written letters to Mr. Silveira explaining the adverse affects this incomplete sidewalk is having on them and their families. We ask that you consider Mr. Silveira's motion to allow us to present our students' concerns at an upcoming City council meeting.

Thank you for your attention to this matter,

Sincerely,

Colleen Kobayashi
