The Community Services Committee met and recommends adoption of the following recommendation(s):

SECTION "A"

ARTIFICIAL ICE RINK DONATION UPDATE

1. That the artificial ice rink pilot project be implemented for the 2014/2015 winter season at Centennial Park, subject to the capital costs estimated in the amount of \$40,000 being fundraised from the community and the City absorbing the operational costs within 2014 budget allocations (estimated in the amount of \$27,200).
2. That staff in the Engineering Department establish a working group in consultation with Mr. Graham Fraser to review the operational considerations associated with the artificial ice rink project and to explore opportunities to fundraise for the capital costs of the project.
3. That a permanent artificial ice rink project be included for consideration in the 2015 - 2019 Capital Plan, with the timing of implementation to be determined based on the report on the pilot project, the finalization of a permanent location and all capital costs being achieved through fundraising from the community.
4. That staff monitor the pilot project and provide a recommendation to General Committee for a permanent location for the artificial ice rink
5. That staff consult with the Downtown BIA on the feasibility of incorporating the artificial ice rink into the Memorial Square Redevelopment Project as a permanent location. (File: R00)
