6.1 WATERFRONT PARKING PERMIT UPDATE

1. That a digital Waterfront Parking Permit be made available through the HotSpot app and website as outlined below:
 - a) Issued on a per-vehicle basis;
 - b) No limit to the number of permits that can be issued per municipal address;
 - c) Costs for permits will remain the same as the current hangtags, except Barrie residents will not be charged \$20 for third and subsequent permits; and
 - d) Resident permit will be valid for two calendar years.
2. That existing resident waterfront hangtags issued since 2017 that did not have a set term (until a new program is released) will now expire December 31, 2023, and that staff will transition away from issuing new hangtags ahead of the summer of 2022.
3. That the Executive Director of Access Barrie and the Director of Transit and Parking be delegated the authority to issue waterfront parking permits in exceptional scenarios and implement minor, cost-neutral program adjustments to enable staff with the ability to provide an enhanced customer experience as this digital program is launched.
