

COMMUNITY SAFETY & WELL-BEING PLANS for 2021-2024 & 2025-2028

(A request from Mike Slinger, a resident in Ward)

1. Has the Province given a formal “signoff” to the 2021-2024 CSWB Plan? How do I access a hardcopy of this sign-off? If not, when will this happen?
2. The **First Annual Forum** was compiled in March 8, 2022. It identified KPI’s used as a base line for 2021-2024. How do I access a hardcopy of this work?
3. There was a **Community Survey** issued in December 2022. How do I get a copy of the full survey to see how it was compiled and the full results it produced?
4. There were **Separate Surveys** carried out by each of the 15 Action Partners for the 2012-2024 Plan. How do I access hard copies of the full survey results?
5. There was a **Forum held in February 2024** to review the 2022 and 2023 surveys. How do I access copies of the survey results?
6. In the **10-page STATUS UPDATE** for the 2021-2024 CSWB Plan, pages 4 - 9 included achieved metrics. If these are “highlights” how do I access the full data? To what extent was the full data used as base line inputs to the 2025-2028 CSWB Plan currently in progress?
7. Who is the person responsible for overseeing the collective work going into the second **CSWB Plan covering 2025-2028**? What is the contact information for this person so I can stay in touch to track the performance of the collective Partnership?
