***FOR IMMEDIATE RELEASE***

## **Construction Industry Job Fair coming to Allandale Recreation Centre**

(Barrie, ON) – The City of Barrie and the Barrie Construction Association (BCA) have partnered to host a Construction Industry Job Fair on **Thursday, May 2, 2024**, at the Allandale Recreation Centre (190 Bayview Drive, Barrie) from 5:30 to 7:30 p.m.

This job fair invites job seekers to learn more about available career opportunities and make connections with local employers hiring for jobs in the construction industry.

“Barrie is booming with residential and commercial development and there is a need for skilled workers in the construction industry,” commented Stephannie Schlichter, Director of Economic and Creative Development at the City of Barrie. “Working with the Barrie Construction Association on this job fair is one way we can help connect talent with local employers in the construction industry to ensure they are positioned for success as more houses are built and developments are undertaken across our growing community.”

“Promoting the construction industry as a viable career option is the top priority of the Barrie Construction Association,” said Alison Smith-Executive Director of the BCA. “We look forward to connecting our members with interested job seekers.”

Registration is not required to attend the Construction Industry Job Fair. For more information, visit [barrie.ca/ConstructionJobFair](https://barrie.ca/ConstructionJobFair).
