Subject: Open Delegation to Barrie City Council on August 15

As per our phone conversation of today, July 26 requesting an Open Delegation to City Council:

Our groups - Simcoe Region Chapter of the Council of Canadians and AWARE Simcoe -Barrie confirm that

we will present to City Council on Monday, August 15th.

Topic - To Give Barrie City Council information about the Canada-EU Comprehensive Economic and Trade Agreement (CETA)
Canadian municipalities have been on the outside of Canada-European Union free trade negotiations for too long. In some provinces, local councillors are kept only partly informed about the status of the Canada-EU Comprehensive Economic and Trade Agreement (CETA). In others, local decision makers know almost nothing of the deal which will have a big impact on how local communities make important economic decisions.

We thank you for this opportunity.

Sincerely,
Mariane Cancilla on behalf of
Simcoe Region Chapter of the Council of Canadians and
AWARE Simcoe AWARE Barrie
