Costs to Maintain Current Service Levels

BUSINESS PLAN
CAPITAL PLAN
JANUARY 2016

60+ SERVICES

	2016 Budget	Tax Rate Impact
Prior Year - Net Operating Expenditures funded by property taxes	\$198,766,858	
Maintain current programs at current service levels:		
Economic Adjustments - Labour	\$ 2,828,314	1.18%
Economic Adjustments - Contracts	\$ 1,296,882	0.54%
Efficiencies & Cost Savings	\$ (312,723)	-0.13%
Revenue Changes	\$ 555,770	0.23%
Interfund Charges (between rate based and tax funded services)	\$ (314,893)	-0.13%
Utilities	\$ (507,100)	-0.21%
Other	\$ (432,213)	-0.18%
Subtotal	\$ 3,114,036	1.30%
2015 Approved Service Level Changes – Carry Forward	\$ 1,942,260	0.81%
Maintaining current programs at current service levels	\$ 5,056,296	2.11%

- Labour reflects cost of living allowances
- Contracts include rail operations, residential curbside collection, transit, roads salt and the landfill gas plant
- Utilities realizing savings from LED retrofit
- Efficiencies and cost savings for streetlight maintenance

Debt & Reserve Management

	2016 Budget	Tax Rate Impact
Debt & Reserve Management:		
Debt Management	\$ 944,699	0.39%
Contributions to Reserves	\$ 834,458	0.35%
Debt & Reserve Management	\$ 1,779,157	0.74%

- Debt servicing includes 2015 and proposed 2016 costs
- Contributions to Reserves consistent with Financial Policy Framework

Rate Budgets

Water & Wastewater

- Financial Plan: Finance & Corporate Services Committee (Oct., 28, 2015) recommended 2% & 3%
- Business Plan Recommends:
 - 2016 Water rate 2.5% increase
 - 2016 Wastewater rate 5% increase

Parking

- Waterfront & Marina Parking addressed through IIDC & Council
- Options for alternative parking models continue to be under discussion with the BIA
- Continued draw on Parking Reserve

2016 Capital Budget Directions

Advance the City's Strategic priorities while considering:

- Resource availability
- Addressing the City's most critical needs
- Master plans and infrastructure implementation plans
- Council's strategic goals
