Brief Statement of Purpose of the Open Delegation:

To dispute a water consumption bill, based on the following:

The water account was register under the tenant's name in 2015, and I was told that the responsibility was solely on the tenant by the City agent not "Authorization to Act on Behalf of Owner-Request for Information" was signed.

According to the City of Barrie procedures, when a water usage is not paid, there are three steps to follow: Issue a reminder notice, Issue a water warning shutoff when the owing balance is over \$400, lastly setup the date to shut off the water.

I have all the evidence to present them to you, during our meeting
