Dear Mr. Lifshiz:

Please accept this letter as a request to be present at an upcoming City of Barrie Council meeting, in which I would like to make a short presentation regarding the South West Integrated Fibre Technology (SWIFT) project. This initiative is a project to build an ultra high-speed fibre optic Internet network, which will provide access to 3.5 million Ontarians living in rural areas. Currently there are 14+ County Stakeholders engaged in this project throughout Southwestern Ontario.

It would be my pleasure to have the opportunity to provide further information on this initiative and would require less than twenty minutes to make my presentation.

I look forward to hearing back from you.

Yours truly,
