

Topic: Key Performance Indicators (KPIs)

Date:	October 1, 2024
To:	Finance and Responsible Governance Committee (City Council)
From:	Lauren Jessop, CEO, Barrie Public Library

The purpose of this letter is to provide members of the Finance and Responsible Governance Committee with the key performance indicators (KPIs) for the Library Board's Strategic Plan 2019-2024, including linkages to the City of Barrie's Strategic Plan 2022-2026, where appropriate.

Where possible, a target/projection is indicated. Where KPIs include new data points, a baseline will be established in 2024. Prior year comparisons have been used as much as possible. For new data points, activities and progress are included.

Members of committee should note that the Library Board is renewing and updating its Strategic Plan to take effect in 2025. The new Strategic Plan will be built to include KPIs that align with the Library's strategic priorities and goals.
