The purpose of the Memorandum is to inform members of Council that in compliance with General Committee Motion 09-G-391 (Appendix "A"), the Engineering Conditions and Drawings associated with the GG 9-Mile subdivision (Phase 2 Registration) have been finalized. The GG 9-Mile subdivision is located on the south side of Mapleview Drive East, to the east of Madelaine Drive. See 'Appendix "B"'.

Approval of the Engineering Conditions and Drawings will clear the way for registration of the Plan of Subdivision (subject to certain financial and legal conditions) and for the initiation of full construction.

The applicant has previously entered into a Pre-Servicing Agreement with the City (complete with financial and legal conditions) allowing for the installation of municipal services and roadworks to base asphalt in advance of the registration of the Subdivision Agreement.

A copy of the Engineering Conditions has been uploaded accompanying this memo for your review. Please forward any questions or comments to Barb Perreault, Manager of Approvals at [Barb.Perreault@barrie.ca](mailto:Barb.Perreault@barrie.ca) by December 28, 2022.
